Learn to grow giant veggies

The Erin Giant Pumpkin Growers (EGPG) will be hosting a free beginners seminar, "Growing Giant Pumpkins and other Giant Vegetables", beginning at 7 p.m. in the Masonic Hall, 190 Main St., Erin (beside the fair building) on Wednesday, April 15.

EGPG will teach you the basics to grow a pumpkin up to 1,000 pounds and some of the secrets to grow even bigger. Seeds from some of the world's top genetics will be available at the seminar. EGPG will also be giving some tips for growing some of the other giant

vegetables (like giant tomatoes, carrot, beets, rutabaga, cabbage, and others) that you can compete with at the Erin Fall Fair. The first prize winner at the fair last year won \$1,500 for a 1,389-pound pumpkin and the first prize winner for the Other Giant Vegetable class won \$500 for a 25-pound beet!

Learn what it takes to grow these monsters and compete with some of Ontario's top growers. If you have any questions please email John at JSL@cogeco.ca or go to www.ErinGiantPumpkinGrowers.weebly.com

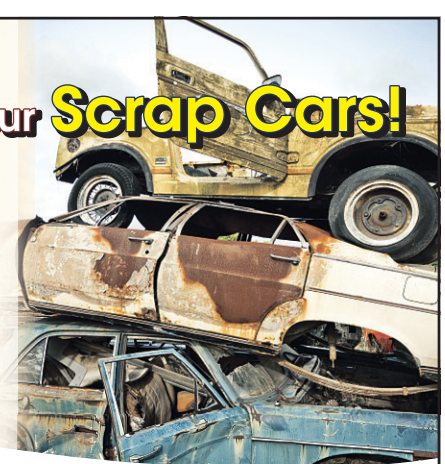

Spring Cleaning?

We want your Scrap Cars!

We tow them FREE of Charge!
We pay for your scrap metal
We donate them to the local fire department for them to practice with and then 100% recycle them when they are finished with them.
