

**NOTICE OF STATUTORY PUBLIC MEETING**

**TOWN INITIATED OFFICIAL PLAN AND ZONING BY-LAW AMENDMENT PERTAINING TO 16 ADAMSON ST. N., NORVAL**

**DATE:** April 13, 2015  
**TIME:** 6:45 P.M.  
**LOCATION:** Council Chambers, Civic Centre  
1 Halton Hills Dr.  
Halton Hills (Georgetown)

Town of Halton Hills Council will hold a statutory public meeting to solicit public input on draft Official Plan and Zoning By-law amendments pertaining to 16 Adamson St. N. in the Hamlet Norval.

On April 14th, 2014 Council approved an updated Secondary Plan (Official Plan Amendment No. 20) and revised zoning (Zoning By-law Amendment 2014-0020) for the Hamlet of Norval. At the time of approval, a decision on 16 Adamson St. N was deferred by Council to allow for further discussion with the new owner and surrounding property owners.

**Proposed Amendments:**

Following further discussion and review, draft Official Plan and Zoning By-law amendments have been prepared which propose to: 1) Designate and zone the property to permit limited commercial uses in the existing building at the front of property; and, 2) Recognize the existing commercial self-storage use including the accessory indoor/outdoor storage of recreational vehicles on the property. A Regulatory Flood Plain Overlay is also proposed which identifies that the property is located in the regulatory flood plain and is subject to Credit Valley Conservation Authority regulations.

**Additional Information:**

Following the statutory public meeting, Town staff will prepare a report to Council which will respond to oral and written comments received, and provide a final recommendation on passage of the Official Plan and Zoning By-law amendments.

Copies of the draft amendments are available for public review at the Town of Halton Hills Planning, Development and Sustainability Department, 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2 or on the Town's website: [http://www.haltonhills.ca/initiatives/Norval\\_Secondary\\_Plan.php](http://www.haltonhills.ca/initiatives/Norval_Secondary_Plan.php).

**GARDINER GRADE 8 STUDENT** Katerina Tzimas helped organize a school-wide assembly with a focus on education around autism on World Autism Day, April 2. A flag-raising ceremony with some staff, students and parents followed. Katerina has a younger brother with an autism spectrum disorder. She spoke from the heart during the flag raising ceremony and her final words to the gathering were: "I wouldn't change my brother for the world. If anything, he's changed me and helped me become more accepting and caring to people who are different."

**LEARNING NEW STRATEGIES**

A diminished social life is one of the most difficult aspects of age related hearing loss. Many people avoid drawing attention to their hearing loss by having fewer social contacts when it becomes difficult understanding what is being said. The result is an altered and lonely existence that family and friends may mistake for dementia.

Learning new strategies to cope with hearing loss could go a long way to restoring confidence and improving communication. The Hearing Clinic recommends the following: Inform people of the hearing loss so they may modify their speech; eliminate background noise; watch the speaker carefully and sharpen natural lip-reading abilities; ask the speaker to repeat what was said if necessary, and above all else; have your hearing thoroughly tested and properly fit with one of today's modern hearing instruments. Contact The Hearing Clinic if you or someone you know needs assistance.
