

Decades of service

Two members of Silver-Wood Women's Institute were honoured for their decades of service recently. Eve Martin (left) and Glenna Smith (left) were congratulated by Wellington-Halton Hills MPP Ted Arnott after they were presented with the 2015 Ontario Volunteer Service Awards in Guelph last month for their continuous years of dedicated commitment and active service to the Federated Women's Institutes of Ontario. Smith was honoured for her 50-plus years and Martin for her 30-plus years. The special ceremony included the presentation of trillium lapel pins and personalized certificates. Silver-Wood W. I. draws members from Georgetown and surrounding areas and meets at 7 p.m. on the second Wednesday of the month at the historic Devereaux House, 11494 Trafalgar Rd. Visitors are always welcome. More information is available from Donna, 905-877-0592 or Annemarie, 905-873-2519.

Volunteers are vital to the ALC

By Julie Conroy
Hillsview Active Living Centre- Acton

On Tuesday, April 7 the Town of Halton Hills held a Volunteer Appreciation Event for all the volunteers who participate at both Acton and Georgetown's Hillsview Active Living Centres.

It was held in the recently renovated Acton Centre and Wendy Krever and Terri Forbes took the opportunity to dress appropriately in construction attire to commemorate the past construction at the Acton Centre and the anticipated construction at the Georgetown Centre.

There are at present a total of 244 volunteers who help make the two Centres friend-

ly, vibrant and interesting places to visit. 128 volunteers attended the celebration. Some people volunteer a couple of hours every week, some once a month, others whatever time commitment they feel comfortable with. Five members volunteered over 500 hours during 2014 and received recognition for that milestone. Joan Mason, Florence Riehl and Ellie Tyndall from Georgetown and Wilda Tressel and Julie Conroy from Acton.

Not every volunteer is a member of the Centre and we appreciate their help also. If you feel you would like to volunteer and are a member or just someone who is interested, please call either Centre or leave a message for Heather Beaumont.

Cancer Society needs volunteers for this weekend's pin campaign

Volunteers are urgently needed for the Canadian Cancer Society Daffodil Pin Campaign, April 16-19!

Daffodil Month, held every April, is a national fundraising campaign of the Canadian Cancer Society. This April, by volunteering just a few hours of your time selling daffodil pins at local grocery and retail businesses in support of our Daffodil Month campaign you will be saving lives and helping people who are living with cancer.

daffodil pins.

Shifts are two hours and you can sign up for one or more to sell daffodil pins for a donation in Burlington, Georgetown, Milton, and Oakville. This is a fantastic way for students to get their community hours. The CCS is also looking for adult volunteers to be site coordinators at various locations for two to four days.

If you're interested in volunteering, please contact the Halton community office at 905-845-5231 or go to www.halton.mycsschedule.ca and sign up online to sell
