*There is work and there is passion, my career was my life's work. The kind that had over 100,000 hours of experience dedicated to it. Dedicated to clients I sacrificed weekends for with pleasure. My career added up to something big and it happened in Georgetown! My success is attributed to the 3,000 Buying and Selling clients that called to have me represent their needs, emotions and sale of their most valued asset, their home! Thank you Georgetown for the year off, I am honoured to be back!*

### TESTIMONIALS
