Are you ready to dip into a pool?

Bruce Metcalfe, owner of Dunroven Landscapes, left, and Shawn Sanderson, proprietor of Nikki's Pools & Service on Guelph St. in Georgetown, have worked together for the past decade to transform backyards into oases. Sanderson, who's been in the same location for the past 40 years and was *The Independent & Free Press's* Reader's Choice Award recipient in the Georgetown pool retailer category this past year, has teamed up with Metcalfe on many projects of any size and shape.

"We found that if we work together, we can save time and expenses for the customer by combining our skills and experience," said Metcalfe. "It's seamless and more efficient without using multiple contractors."

Nikki's Pools is a full-service installer that can service, refurbish or even fill in pools and teams up with Dunroven Landscapes for complete backyard renovations.
