Tickets on sale for Lobsterfest

By Lois Fraser
Kiwans Club

The Georgetown Kiwanis Club is holding its annual Lobsterfest at the Gellert Centre on Friday, May 22 at 7 p.m.

The Kiwanis Club pledged \$70,000 to the Georgetown Hospital expansion and there is still \$40,000 left to raise for this project. Lobsterfest is the main fundraiser for this donation, so we hope the community will support this fun night out.

Lobsterfest has been going for almost 30 years now and it is always a good time. Besides, we've

had the coldest winter EVER and the sweet taste of early summer is what many of us are longing for.

Fresh lobster is flown in from the East Coast that day and is cooked by Kiwanians right on the premises. Rain or shine, the Kiwanis lobster crew is out there cooking 1,000 pounds of lobster. Land-lubbers are welcome too and will enjoy top quality sirloin steak. Add in Caesar salad, baked potatoes and goodies for dessert, it is a veritable feast!

Tickets are \$75 (all-you-can eat while supplies last) and can be ordered by calling Lois at 905-877-4411 ext. 253 or you can purchase tickets online at www.georgetownkiwanis.ca.

Ugly Kitchen or Bath? Refinishing Saves you Time and Money!

In addition to countertop and cupboards... bathtub and tile refinishing can also extend the life of your existing fixtures!

Miracle Method of Brampton has a solution to help update your kitchen or bathroom without the high cost of renovation! "Why renovate when you can refinish, in just a few days?", says Bruce Edgar, owner.

Not only is refinishing fast, but you'll save up to 50-75% over the cost of replacement. Since surface refinishing doesn't require weeks of messy construction, in just 2-3 days, your kitchen and bathrooms will be beautiful again.

"Our customers can save thousands of dollars and the results are beautiful! We can create an updated new look over your existing surfaces using our Natural Accent® finishes", continues Bruce.

Natural Accents® are available

in a wide array of colours and can be applied on laminate, tile, fibreglass, acrylic, Corian® and cultured marble surfaces. Miracle Method can give you a high-end look without the high-end cost.

"Kitchen counter tops are the new WOW factor for homeowners," continues Bruce. "We also spray and refinish cupboard doors and bases and the transformation is simply amazing! We use an HVLP spray system, NOT a paintbrush, and the topcoat lacquer is the same that kitchen cabinet manufacturers use." Compare refinishing to the cost of replacing or re-facing and you'll see that you can save money.

Miracle Method is the largest surface refinishing company in North America & provides residential and commercial services. "As a company, we

fix problems at hotels, schools, senior care centres, apartment complexes, universities, colleges and more. We are always ready to help!" Be inspired by the amazing transformations in our photo gallery and explore all the services we have to offer by going to our local website at: miraclemethod.com/brampton
