## Acton's ALC hold bazaar on Saturday

By Julie Conroy

Hillsview Active Living Centre- Acton

Ten members from the Centre attended the Monday, April 27 Council meeting to show support for President Dave Maloney when he made a slide presentation to Council showcasing the improvements and extra space we have utilized since the renovations. We are now able to hold several programs or events simultaneously. He praised the expanded kitchen, which enables us to prepare lunches and snacks. He also talked about how valuable the Health and Wellness room is and how convenient (no more driving out of town for appointments).

Also present were Wendy Krever, Co-ordinator of the Centre, Samantha Kleinschmidt, Manager of Halton Hills Recreation Services, and Terri Forbes, Co-ordinator of the Georgetown Centre.

Our Spring Bazaar is this weekend. Hopefully we will see many of you there. If you had your name down to donate items for the tea table can you please make sure it is at the Centre by Friday. Wilda is quite excited by some of the beautiful collectables and gold jewelry that has been donated to the jewelry table.

On May 26, we will be celebrating the 20th Anniversary of the Centre with an Open House from 2-5 p.m. There will be displays, and a slide show and what occasion is complete at the Centre without food. There will be light refreshments available.

Georgetown will be holding their Open House on Thursday, May 28, 2-5 p.m. If you are new to the area and haven't visited our Centre this is your golden opportunity to find out what we have to offer you!

Looking to give a "Little Lift" to your Spring outfits? 5th Avenue will be here on Monday, May 11, 1:30 p.m. with their collection of jewelry. I understand all items will be half price, which means now is the perfect time to buy something for yourself or a gift for a friend.

Movie lovers don't forget that Show Time for our monthly movie, *My Old Lady*, is Tuesday, May 12 at 1:30 p.m.

Our Spring Social Dinner is on Thursday May 14. The cut-off date for tickets is noon on Wednesday, May 13th.

On May 19 the Men's Breakfast club will have the chance to don hard hats and have a tour of the Arena construction site.

Lunch on Friday, May 15 will be salad and pizza.

## Belfountain Dam and Headpond

Conservation Ontario Class Environmental Assessment - Notice of Intent

### THE STUDY

Credit Valley Conservation (CVC) has begun a study of the Belfountain dam and headpond, located within Belfountain Conservation Area in the Town of Caledon (see map). The dam does not currently meet all structural and safety standards. The study will be conducted at the same time as the ongoing Belfountain Complex Management Plan to determine the preferred management alternative for the dam and headpond in the context of the greater Belfountain Complex (Belfountain Conservation Area and the neighbouring Willoughby and Cox properties).

### THE PROCESS

The study is being conducted in accordance with Conservation Ontario's procedures outlined in the Class Environmental Assessment for Remedial Flood and Erosion Control Projects (Class EA). The Class EA process includes public and agency consultation, characterization of the study area and evaluation of alternatives. It looks at potential environmental, social and economic effects of the preferred alternative and identifies measures to mitigate any adverse impacts.

CVC invites you to participate in the study. If you wish to provide comments, ask questions or receive information, please contact one of the project representatives identified below. Information on the project is available at [www.creditvalleyca.ca](http://www.creditvalleyca.ca). Additional consultation opportunities will be made available as the study progresses.
