**22 ACRES BETWEEN GEORGETOWN & ACTON**

This property has it all! Trails, a pond, a hot tub, even a putting green. The heated double car garage is a great space for the handyman but also the 600 sqft training centre can be used as a workshop/school or for the work at home professional. The grounds are well kept and the house has been renovated from top to bottom. The Maple kitchen is approx. 2 years old, the fully finished basement has a w/o to deck. The large family room has an air tight wood-stove for those chilly nights. This house also has an exercise room as well as a super sized cantina.
