**ROLLOVER ON TRAFALGAR:** A young driver apparently walked away from a violent rollover on Trafalgar Rd. at around 10 a.m. Tuesday morning. Traffic on Trafalgar Rd. north of 5 Sideroad was slowed but not closed as the Chevrolet Cobalt rested in the ditch on the west side of the highway. A Halton Regional Police officer on scene wouldn't comment on the man's medical condition, however a witness said the driver didn't appear to be injured following the crash, which took out four fence posts and involved "several barrel rolls." The driver was taken to Georgetown Hospital as a precaution.
