"To the Krause Family,"

When we decided to sell our home ("Sarah's House in Georgetown"), we knew that the agent we were going to work with had to be understanding, trustworthy, and most of all, knowledgeable of the market conditions. I quickly realized when meeting with the Krause Family, they were realtors with all the values we were looking for to sell our home.

Right from the beginning, their professionalism in mapping out a strategy for the sale was impressive. In a timely fashion, they listed our home in various markets with unique marketing tools which optimally exposed our home.

Throughout the entire listing period, Melissa Krause kept us informed of the status of all home showings and the feedback from all the potential buyers. During this period, regular meetings were organized by the Krause Family to provide updates and ensure us we were on track with the sale of our home.

But the real impressive part of our experience was the persistence of the Krause Family! Not only did they list the home, but with much determination they also brought the buyer to complete our experience.

We would like to take this opportunity to thank the entire Krause Family Team for their hard work in selling our home. The efforts put forth by the Krause Team speaks highly of their professional and personal stature.

Sincerely,
Elyse & Jerry Buligan
