Town declares annual Terry Fox Day

The second Sunday after Labour Day each year will be "Terry Fox Day" in Halton Hills after Council supported a resolution last week.

Councillor Jon Hurst put forward the resolution in support of Scarborough-Agincourt MPP Soo Wong's private member's bill to declare Terry Fox Day and have it proclaimed on the 35th anniversary of the Annual Terry Fox Run.

Fox's Marathon of Hope travelled through Halton Hills on July 22, 23 and 24, 1980 and while here Fox attended a dinner in his honour at the Lions Club Hall. Fox had to cut his marathon short just south of Thunder Bay because his cancer had returned and spread to his lungs. He died in June 1981 at age 22.

Residents in Halton Hills have participated every year since the annual Terry Fox Run launched in 1981, raising more than \$1.12 million for cancer research.

Halton Hills Council is urging other municipalities to follow its lead.

STRATEGIES USED TO HELP UNDERSTAND SPEECH BETTER!

The best thing you can do whether you are wearing hearing instruments or not is to use effective listening strategies. Even people with normal hearing have difficulty in some situations. Don't get discouraged. The following are some effective listening strategies you can implement easily:

- Make sure the person you are communicating with is facing you and not turned away or in another room.
- Make sure the background noise is kept to a minimum when trying to communicate.
- Have people try to get your attention before they start to speak to you.
