Road work slated for several streets

The Town has launched ROADS 2015, and starting this spring several streets in Georgetown are scheduled to be resurfaced or re-constructed

This work will help keep the Town's roads in peak condition.

Concurrent with the Town's work, Halton Region will be completing water and wastewater projects in the same area.

Each year, the Town's Pavement Management Construction and Capital Works program renews and improves the roads across Halton Hills.

This year the focus is to continue upgrading roads in Wards 3 and 4, along with improvements to both Wards 1 and 2, to ensure that roads are safe and in top condition for residents.

"The Town of Halton Hills is continuing its efforts to keep our roads in good repair," said Mayor Rick Bonnette. "We know that each street will experience some disruption during construction, but the results of ROADS 2015 will improve residents' quality of life for years to come."

The following streets will have road work completed this season under the Town's Pavement Management Program. This work will be supervised and administered by Town staff.

- Airedale Court (Irwin Cr. to end) - watermain, wastewater main and road resurfacing
- Allen Rd. (Hale Dr. to Rexway Dr) - watermain and road resurfacing
- Byron St. (Edward St. to Windsor Rd.) - wastewater main and road resurfacing
- Cleaveholm Dr. (Mary St. to Henry St.) - wastewater main and road resurfacing (joint project with Halton Region).
- Dawson Cr. (Delrex Blvd. to end) - road resurfacing
- Eden Place (Mountainview Rd. to end) - watermain, wastewater main and road resurfacing
