Chamber's top business for May

Georgetown Heating & Air has been selected as the Halton Hills Chamber of Commerce Business of the Month for May.

Owner/operator Jon Broadley opened the business five years ago as a fully licensed Lennox supplier serving residential heating and air conditioning needs, with the majority of its calls coming from Halton Hills and Milton.

"Some people said when we started out

that having Georgetown in the name of the business would limit us, but there's more than enough work around here to keep us busy and people like that we're local," said Broadley.

"Our customers know that we're right here in Georgetown and they won't have to wait for us to come from Burlington or Brampton or wherever."
