

Company earns laurels

Georgetown-based ISPA Store Fixtures recently received a pair of prestigious international awards for their work at the Kleinfeld Hudson's Bay retail outlet in Toronto.

ISPA manufactured the fixtures for the "bridal haven" atop the retailer's Queen Street flagship location, which was named the Association of Retail Environments Store of the Year at the

awards ceremony held in Las Vegas.

Along with the Store of the Year Award for the Softline Specialty (7,501 to 25,000 square foot) category, ISPA received the Gold Award for their store fixtures, which earned praise from the judges for their elegant lines and visual presentation.

Hundreds of entries from around the world were considered for the awards.
