## Notice of Halton Region's 2015 Employment Survey starting on May 11

### Who should participate?

Businesses in Halton Region. Your participation makes a difference in helping us plan and ensure Halton remains a great place to live, work and run a business.

### Timeframe:

May 11 – September 30, 2015

### How to participate:

- Online: visit [halton.ca/employmentsurvey](http://halton.ca/employmentsurvey)
- In person: A team of surveyors from the Region's Planning Services Division will visit each and every business establishment in Halton.

### Purpose:

Data collected through the Survey:

- helps to monitor the Region's economic health;
- supports policy and decision-making; and
- provides essential background information for forecasting and planning the Region's infrastructure and services for Halton's residents and businesses.

### What type of information is gathered?

- The number of employees working at each location
- Type of business activity/employment

### How will the survey information be used?

- Data from the Survey will be published in the 2015 *Employment Survey Results* report in early 2016.
- Individual business information will not be published in the results of the Region's survey.
- Survey data will be shared with our Local Municipalities and used for planning-related purposes.

### How to identify surveyors:

The surveyors will wear a Halton Region shirt and cap, each bearing the Halton Region logo, as well as a visible photo ID card that identifies them as part of the "Halton Employment Survey Team 2015."

### Questions?

If you have any questions or comments regarding the survey, please contact Planning Services at 905-825-6000, ext. 7686.

### Help reduce the mosquito population

Mosquitos can spread West Nile virus to people. Help reduce the mosquito population by removing standing water from your property. Look for buckets, bird baths, tires or children's toys – anywhere water can gather and sit. For standing water on public property, dial 311 to report it to the Halton Region Health Department. For more information on West Nile virus, visit [halton.ca/wnv](http://halton.ca/wnv) or dial 311.

Gary Carr  
Regional Chair

Meetings at Halton Region, 1151 Bronte Rd., Oakville, L6M 3L1  
Visit [halton.ca/meetings](http://halton.ca/meetings) for full schedule.

June 17 9:30 a.m. Regional Council
