

## New digs for iPro Realty

iPro Realty has moved its offices from Georgetown South to a new building on Guelph St. across from Christ the King Secondary School and held a grand opening last month. One of the firm's owners, Rui Alves, said they'd outgrown their former location after 14 years and now have 7,000 square feet of office space as the home base for some of the local company's 65 agents. Town of Halton Hills Councillors Ann Lawlor and Dave Kentner were on hand to help with the official ribbon cutting for the new iPro Realty offices at 158 Guelph St. At left are iPro Realty owners and co-founders Fedele Colucci and Rui Alvez. Colucci is recovering from surgery to repair a detached retina.

### Gorgeous Red Brick 4 Bedroom Home in Rockwood!

This beautiful 2250 sq/ft, 4 bedroom, 3 bathroom, Foxbridge built red brick two storey home is built with solid 2x6 construction, and they don't build them like this anymore! The main floor, with its soaring 9ft ceilings, offers you a newly upgraded kitchen with granite countertops, ceramic flooring, and a new backsplash (2013) that leads you into a bright dinette area perfect for those family meals. The family room has hardwood flooring and gas fireplace surrounded by lovely built-in shelves. The second floor, with 8ft ceilings throughout, has 3 spacious bedrooms, and a 4th that would be a perfect nursery, office or for those children returning from school for a visit. The large master bedroom has a 4-piece ensuite and a separate seating/lounge area for those nights you want to cozy up to a good book. oh did I forget to mention the huge walk in closet. There's an unspoiled, unfinished basement, which is ready for your creative design. If you've ever wanted some privacy, then this is the home for you and you certainly can't find a better lot then this. There is a 2 car detached garage with a driveway backing onto the one way street, which allows you all the room you need for those road hockey or basketball games without the worry of a lot of traffic. The rear deck off the kitchen is a perfect spot for those summer B.B.Q's with friends and family and the backyard has the privacy you've always wanted with the mature cedar trees.
