BEEP BEEP MOTORCADE WAS HONKING FUN:
Approximately 25 vehicles took part in the Beep Beep Motorcade through the McNabb St. underpass on Sunday. "This went off without a hitch despite the rain," said organizer Pat Farley, "and we had lots of fun." The event was created as a "farewell" to the underpass, which will soon be closed to traffic for reconstruction. For generations, drivers had beeped their horns before proceeding through the single lane underpass. The Metrolinx two-year phase to upgrade the Kitchener line near the Georgetown GO station, includes expanding the McNabb St. bridge, extending the Silver Creek culvert, constructing a retaining wall along the track, and building a third mainline track. Regular maintenance work will also be done at the same time.
