John Oliver Leadership Award

The John Oliver Leadership Award was established in 2014 to honour former president and CEO, John Oliver, on his retirement from Halton Healthcare. During his 23 years of service, John provided exceptional strategic leadership over some of the most challenging and rewarding time in the histories of our hospitals. The annual award recognizes employees who demonstrated the leadership traits that were exemplified by John during his tenure at Halton Healthcare. This was the first year that the John Oliver Leadership Award was presented. The award recipient was Eileen Gagne, Charge Respiratory Therapist, Halton Healthcare.

Thank you to KC Carruthers

As the Executive Director of the Georgetown Hospital Foundation for nearly 10 years, KC Carruthers has played an integral role with both the Georgetown Hospital and in the community of Halton Hills. Through his leadership, integrity and guidance KC managed the Foundation's largest-ever fundraising campaign from conception and very successfully completed it ahead of schedule.

Under KC's direction, the *Investing in Care – Close to Home* Campaign was a resounding success, resulting in a \$6.5 million commitment towards the new 14,000 square foot Emergency Department, the redevelopment of the Diagnostic Imaging Department and addition of the CT scanner at the Georgetown Hospital.

KC's quiet, compassionate personality and community involvement allowed him to very effectively connect and build relationships with local companies, families and individuals. These close relationships enabled the Foundation to set new goals which will continue to support the Georgetown Hospital as it strives to provide state-of-the-art healthcare, close to home.

On behalf of the Georgetown Hospital Foundation & the Foundation Board of Directors we would like to thank KC for his unwavering dedication, contribution and commitment to the Georgetown Hospital and our Foundation and wish him all the best in his new role as Vice President of Development at West Park Healthcare Centre Foundation in Toronto. Thanks KC!
