

IN BRIEF

Students learn to stay safe

Rain and thunderstorms washed out day one of the Risk Watch Safety Blitz recently at the Gellert Recreation Centre, but 14 of the 17 Halton Hills schools invited to attend were able to take part in the exercise on Tuesday at the same location.

It was the 14th-annual event held in Georgetown for Grade 4 students and representatives from Halton Regional Police Service, the Halton Hills Fire Department, the OPP, Halton EMS, GO Transit, CN Police and the Town's Parks & Rec Department provid-

ed activity stations for the pupils.

Risk Watch is an injury prevention program for children pre-kindergarten to Grade 8 developed by the National Fire Protection Association (NFPA) and endorsed by the Fire Marshals' Public Fire Safety Council.

More children die each year of injuries than of childhood disease, including cancer, making injuries the number-one health risk facing school aged children today, according to the Canadian Institute of Child Health (The Health of Canada's Children).
