**André Morin**

July 23, 2014

I stand alone here my heart is aching because I know you are out of reach and no longer here with me. You're at peace now laying there in eternal sleep forever. The pain I hide is too much to bear I want us to be together again, But I'm needed on this lonely land for a little longer at least. So I'll be here to cry more tears over you on your Birthday every year to celebrate our love that was so true. Until it's time to meet once more to hold and love one another as we did all those years. As I was your friend, a lover and a partner, I cannot say goodbye because we'll meet again  
- Love, Paul  
P.S. all your friends and family miss you

*Those we love don't go away,  
they walk beside us every day.  
Unseen, unheard and always near,  
Still loved, still missed, and very dear.*
