### Continued from pg. 9

bedroom door jammed.

It was with me every day of my life, at the office, cutting the lawn- even Sunday morning at church!

Only when we traveled to Europe, did I leave it at home- I didn't want to chance having it confiscated.

It got through security in Ottawa, at the Parliament Buildings. We had to empty our pockets into the tray, and walk through a metal detector. As I stepped through the

detector, the girl pushed the tray containing my knife toward me. She didn't so much as blink. That would never happen today.

A couple years ago, the metal Fuji logo fell off, and two weeks ago, the Victorinox logo curled up a bit and was catching on things, so I carefully removed it, intending to glue it back on.

Now, that logo is all I have.

Being a person who has always carried a penknife, I know I'll find a replacement. But it won't be the same.

Safety Tips

## For Kids Who Love Outdoors

- APPLY SUNSCREEN WITH SPF 15 OR GREATER TO REDUCE THE INTENSITY OF UVRS THAT CAUSE SUNBURNS. APPLY IT 15 TO 30 MINUTES BEFORE SUN EXPOSURE.
- DRINK PLENTY OF WATER AND FLUIDS WHEN YOU GO OUTSIDE TO AVOID DEHYDRATION AND KEEP THEM REFUELED.
- LIMIT SUN EXPOSURE. ESPECIALLY BETWEEN THE HOURS OF 10 A.M. AND 2 P.M., UV RAYS ARE STRONGEST AT THESE TIMES ESPECIALLY IN SUMMER.
- TAKING TIME TO ENSURE THE OUTDOOR PLAY AREAS AROUND YOUR HOME ARE SAFE PROTECTS CHILDREN FROM INJURIES IN THEIR OWN BACKYARD.
- WHEN YOU'RE OUT ON THE TRAIL, WHETHER HIKING, CAMPING, OR EXPLORING, PROTECT YOURSELF FROM MOSQUITOES AND OTHER BUGS BY USING INSECT & TICK REPELLENT.
- DROWNING IS AMONG THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN. ENROL YOUR KID IN A SWIMMING SURVIVAL PROGRAM AND ALWAYS SUPERVISE THEM.
- NOTHING PROTECTS YOUR CHILD BETTER THAN YOUR PRESENCE. ONE OF THE SUREST WAYS TO PROTECT YOUR CHILDREN OUTDOORS IS TO PROVIDE ADULT SUPERVISION. BY KEEPING AN EYE ON YOUR CHILDREN, YOU CAN STEP IN BEFORE INJURIES OCCUR OR RESPOND OLIICKLY IF PROBLEMS ARISE
