## Concussion Passport to Safe Play

Where every patient is treated like an elite athlete

We are here to keep our athletes active into their adult years and can offer you:

- Player and Coach Education
- Preseason Baseline Testing
- Balance Assessment
- Sports Medicine Consultation
- Cognitive and ImPACT testing
- Return to Play Protocols
- Follow Up and Collaborative Medical Evaluation
- Step by Step Medical Guidance

When you need concussion assessment and follow up treatment, you can be reassured that our Concussion Passport Guidelines are medically endorsed and follow the International Zurich Concussion Guidelines.

We are here to treat every patient like an athlete, but FIRST they have to be medically assessed and treated as a patient and more importantly your child.
