NEWS

Halton Hills Hydro warns of phone scam targeting its customers

Halton Hills Hydro customers are reporting that they have been targeted by a phone scam.

The scam involves a caller posing as a utility official and threatening to cut off electricity to the home or business if they don't immediately make payment through a money wire transfer or pre-paid credit cards.

This scam has been active throughout Ontario in recent months and now appears to be targeting Halton Hills Hydro customers. In some cases personal bank account or credit card information has been requested. There have also been reports of callers requesting that payment be dropped off at an unusual location such as a gas station.

Customers are reminded that Halton Hills Hydro never asks for payment via pre-paid credit card or wire transfer and would never ask for payment at an alternate location. Official payment depots

are the Halton Hills Hydro office in Acton and Young's Pharmacy in Georgetown.

Protect yourself against these scams. Do not agree to make payment through any of these means and do not give out any personal information over the phone.

If you receive a suspicious call, hang up immediately. If you have any questions about your account, please call the Halton Hills Hydro office at 519-853-3701.

If you receive a fraudulent phone call you can report the scam to the police or to the Canadian Anti-Fraud Centre at 1-888-495-8501 or info@antifraudcentre.ca.

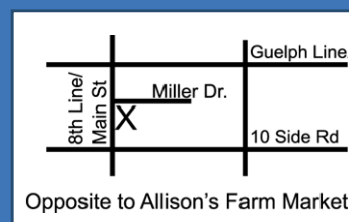

Halton Hills Hydro serves 23,000 customers in two urban centres, Georgetown and Acton, the Halton Hills Premier Gateway employment area, the hamlets of Glen Williams, Stewarttown and Norval and several smaller settlements in their 280 square kilometre service area.
