

# GLT Youth Company to kick off its 13th season

The Georgetown Little Theatre Youth (GLT-YC), invites new and returning members, ages 10-18, to register for another exciting year of theatre on Saturday, Sept. 12 at 1p.m.

The GLTYC meets on most Saturdays throughout the school year. The annual membership fee is \$20. Workshops are held Saturday afternoons and some mornings. The fee for the workshops is \$10 per workshop or \$40 for the whole package. (That works out to \$5 per workshop).

The fall workshops are aimed at the actor's craft, i.e. voice, characterization, along with directing and stage management. The spring

workshops are free and are about building the spring production, i.e. costume design and construction, set building, painting and lighting as well as stage make-up. Interested adults are always welcome to join GLT and attend workshops.

The Youth Co. has two performance opportunities each season. The Y1A- Youth One Acts, will be performed Nov. 26-28. Auditions will be held on Saturday, Sept. 19, 10 a.m. to 3 p.m. A prepared monologue and a photo/headshot is required.

Auditions for the spring performance will be held in December. Rehearsals may be held on

weeknights as well as Saturdays.

The Youth Co. was established in 2004, headed up by a team of supportive volunteers who love doing theatre and enjoy working with young people. They welcome anyone who

shares those interests.

For auditions, please call the studio at 905-877-3422 or secure a time slot when becoming a member on Sept. 12. Further information may be found at [www.georgetownlittletheatre.ca](http://www.georgetownlittletheatre.ca)

## Compost Giveaway

**Saturday, September 12, 2015**  
**8:00 a.m. to 4:30 p.m.**

**Halton Waste Management Site**  
5400 Regional Road 25, Milton

Halton residents are invited to attend our Fall Compost Giveaway as a "thank you" for helping to divert approximately 39,000 tonnes of yard waste last year.

**Remember to bring:**

- Your own bags or containers (maximum seven garbage bags or equivalent per household) and a shovel in order to bag your own compost; and,
- A non-perishable food item or cash donation to be distributed to Halton-area food banks – your donations make a difference!

**Helpful Hint:** When applying compost to your gardens, ensure you blend it with topsoil or another gardening fill. Recommended application for best growing results is 60 per cent topsoil and 40 per cent compost.

Visit [halton.ca/compost](http://halton.ca/compost) for more information.

### Cleaning up? We can help!

Bring your old batteries, paint, compact fluorescent light bulbs, pesticides and cleaners to the Household Hazardous Waste Depot at the Halton Waste Management Site. Maximum 20 litres per visit. No commercial loads accepted. For a complete list of acceptable materials and helpful hints, visit [halton.ca/hhw](http://halton.ca/hhw).

### Kids are back to school September 8 – remember to drive safely

Labour Day weekend signals it's back to school for Halton students. The roads and neighbourhoods in our community will be busier with children walking, bicycling and taking the bus to and from school.

Halton Region is committed to protecting the safety, health and well-being of its residents. We would like to remind all motorists that when driving your vehicle, be aware of the speed limit at all times and watch for children, particularly in school zones. Remember that when approaching a stopped school bus with its upper alternating red lights flashing, vehicles travelling in both directions must stop at least 20 metres from the bus. To learn more about road safety, visit our website at [halton.ca/roadsafety](http://halton.ca/roadsafety).

Gary Carr  
Regional Chair

**Meetings at Halton Region** • 1151 Bronte Rd., Oakville. Visit [halton.ca/meetings](http://halton.ca/meetings) for full schedule.

**Sept. 9 9:30 a.m.** Regional Council

Please contact us as soon as possible if you have any accessibility needs at Halton Region events or meetings.
