In Ontario, the Association of Hearing Instrument Practitioners was derived from the former Ontario Hearing Aid Association and the Association of Hearing Aid Dispensers. As the Professional Association for practitioners in Ontario it outlines provision for registration, which includes the requirement of education and competency standards, sponsors the most strict code of ethics in the industry and enforces sound grievance and ethics procedures. The Hearing Clinic is proud to adhere to the strict regulations and guidelines put forth by the Association. For more information feel free to call....
