Hillview Active Living Centre-Georgetown to host Movie Night next week

By Florence Riehl

Georgetown Active Living Centre

Looks like quite a few members are ready to play "Pickleball"! What is it you say? It is the fastest growing sport in North America, combines elements of badminton, tennis, and table tennis, played on a court smaller than a tennis court with paddles and a wiffle ball. If you are interested in joining to play in the league you will need to register ASAP at the website at HaltonHillsPickleball.com.

The dance planned for Sept. 27 has been cancelled due to renovations.

Movie Night is coming to your Centre. The first evening movie will be shown on Wednesday, Sept. 23 beginning at 6 p.m. Your cost of \$3/member or \$5/non-member includes the movie, popcorn, and a drink. The movie is *The Hundred Foot Journey*; the story centered on an Indian family who moves to France and opens a restaurant across the street from a Michelin-starred French restaurant. Starring Helen Mirren.

Tuesday Sandwich Days have resumed. Drop in for lunch.

Ugly Kitchen or Bath? Refinishing Saves you Time and Money!

BEFORE

AFTER!

In addition to countertop and cupboards... bathtub and tile refinishing can also extend the life of your existing fixtures!

Miracle Method of Brampton has a solution to help update your kitchen or bathroom without the high cost of renovation! "Why renovate when you can refinish, in just a few days?", says Bruce Edgar, owner.

Not only is refinishing fast, but you'll save up to 50-75% over the cost of replacement. Since surface refinishing doesn't require weeks of messy construction, in just 2-3 days, your kitchen and bathrooms will be beautiful again.

"Our customers can save thousands of dollars and the results are beautiful! We can create an updated new look over your existing surfaces using our Natural Accent® finishes", continues Bruce.

Natural Accents® are available

in a wide array of colours and can be applied on laminate, tile, fibreglass, acrylic, Corian® and cultured marble surfaces. Miracle Method can give you a high-end look without the high-end cost.

"Kitchen counter tops are the new WOW factor for homeowners," continues Bruce. "We also spray and refinish cupboard doors and bases and the transformation is simply amazing! We use an HVLP spray system, NOT a paintbrush, and the topcoat lacquer is the same that kitchen cabinet manufacturers use." Compare refinishing to the cost of replacing or re-facing and you'll see that you can save money.

Miracle Method is the largest surface refinishing company in North America & provides residential and commercial services. "As a company, we

fix problems at hotels, schools, senior care centres, apartment complexes, universities, colleges and more. We are always ready to help!"
