## BUSINESS

**AN OPPORTUNITY AT OPPORTUNITIES KNOCKING EXPO:** What started out as a hobby for local resident Melanie Wood has grown into a small business named DippedInSweetness that she's operated out of her home for the past four months. Wood was among several exhibitors at the inaugural Opportunities Knocking Expo hosted by the Georgetown Market Place Mall and The Independent & Free Press during mall hours Friday and Saturday featuring creative talent, unique gifts and professional advice from 30 local home-based business entrepreneurs. DippedInSweetness offers decadent customized chocolate-covered pretzel rods and Oreos, marshmallow and Rice Krispie pops, specialty chocolate lollipops and chocolate-drizzled popcorn.

Also attending the show was Julie Broadbent of Julie Broadbent Photography — a photography specialist in weddings, engagements, families and children.
