WPEC to hold Pumpkin Day

For the past 16 years residents have been carving pumpkins in Willow Park Ecology Centre as part of its Fall Festival— just before Halloween!

Looking back at photos of kids carving their pumpkins and creating their fall artwork, it's hard to realize that almost a generation of kids and their families have enjoyed this yearly ritual. Many might soon be returning with their own kids!

On Sunday (Oct. 25), 12-4 p.m., WPEC is

once again providing pumpkins and all the implements necessary to create your own family masterpieces.

For only \$5 each, get a pumpkin to carve, fall crafts, games, drum-making, scavenger hunt, and more. Come join in the monthly drum circle at 1 p.m., see the new play area, walk around the Ojibwe medicine wheel, and most of all— have a wonderful time celebrating the fall season with your family.
