## Former Bulldogs put paws to pen

Three graduates of the Halton Hills Jr. B Bulldogs signed contracts with National Lacrosse League teams on Tuesday for the 2016 campaign, with training camps set to open next month.

Georgetown's Connor Brown joins a couple of other Halton Hills residents on the roster of the Vancouver Stealth as the 20-year-old inked a deal with the team he said he's always wanted to play for.

Brown, currently captain of the Ontario Hockey League's Saginaw Spirit, had 51 goals and 64 assists with the Bulldogs last season and holds the franchise record with 64 goals during the 2013 campaign. He was

taken in the third round, 23rd overall, in the 2015 NHL Draft.

Another high-scoring forward, Mike MacDonald of Georgetown South, has signed with the New England Black Wolves.

The Princeton University standout was selected 22nd overall in last month's draft and was the Co-Ivy League Player of the Year, finishing his career with the Tigers as its third all-time leading scorer.

Ethan O'Connor, a transition player from Milton who starred for the 2010 Founders Cup champion Bulldogs, re-upped with the Georgia Swarm in a three-year deal after being drafted by the Toronto Rock in 2013.

## Late Kingston goal beats Raiders

Giving up three goals in the final seconds of periods, the Georgetown Raiders dropped their second-straight Ontario Junior Hockey League home game Saturday night, a 4-2 defeat to the Kingston Voyageurs.

The 9-5-1 Voyageurs tallied shorthanded with two seconds left in the first period and potted the winner at the 19:47 mark of the final frame, followed by an empty-netter, to secure the win.

Trailing 2-1 after 40 minutes, Georgetown's Josh Dickinson notched the equalizer with just under four minutes to go. Brendan

Jacome added a second-period marker.

Rookie netminder Billy Day, a 17-year-old from Burlington, made 23 saves and was named first star in Georgetown's 3-2 victory Friday evening in Pickering over the 5-5-1 Panthers.

Arran MacDonald, Brendan Jacome and Jack Jacome scored for the visitors, who took an early 2-0 lead.

The 10-4-1 West Division-leading Raiders played host to the Toronto Jr. Canadiens Wednesday night and will travel to Toronto Friday to take on the St. Michael's Buzzers.

## Mini-putt venture launched

Continued from page 36

"It's the details that count," said Maureen, who isn't an avid golfer yet but was hooked on mini-putt the first time she played it.

"We want to be a part of the event and not just a facilitator. The golf is not only just for entertainment, but we are hoping that along the way people will be empowered in their lives because in golf the only focus is to put the ball in the hole and you need to synergize your mind, your emotions, mind, soul and spirit to get the ball in there."

The PGA-approved modular greens are

made of polymer plastic and a course can be laid out in many different configurations in a minimum of 1,200 square feet of space in just a couple of hours.

"We can make the course really complicated depending on what the client wants," Albert added.

"We can custom make it to be easier with no obstacle course for the amateur, or we can throw in some tough holes for the real pros. It all depends on how much space we have to work with."
