BRENDA OSBORNE

Brenda Osborne (Super Lube)

For some, working with family members sounds like the plot of a bad sitcom. But for Brenda Osborne, owner and operator of Super Lube in Georgetown, working with her family is a pleasure. Her son-in-law is the manager at the Georgetown shop and her daughter, Sarah, runs the Orangeville location. Complementary skills and similar work ethics keep things harmonious both at the shop and at home.

"Working with family is wonderful," says Brenda, a longtime Georgetown resident. "I don't know if we could do it without them."

In 2001, Brenda and family opened the Georgetown shop, which is located on Armstrong Avenue near Mountainview Road. Super Lube offers preventative maintenance, like oil and fluid changes, for all makes and models of personal and commercial vehicles. The shop also carries a full line of Quaker State products and, three years ago, was the first shop in town to introduce Rust Check, a highly ranked rust proofing and rust control service. Super Lube runs on a first come, first served basis, which means that no appointments are necessary.

Brenda has enjoyed getting to know her customers and serving the community she lives in.

"It's really rewarding to live and work in the same community," she says.
