NOTICE OF PUBLIC OPEN HOUSE

Premier Gateway Phase 1B Employment Area: Secondary Plan Study

Date: Thursday, November 26, 2015
Time: 7:00 pm
Location: Hornby Glen Golf Club,
8286 Hornby Road, Halton Hills

You are invited to attend the first of a series of public consultation sessions with respect to the ongoing planning of the Premier Gateway Phase 1B Employment Area.

Study Purpose

The Premier Gateway Employment Area is currently the Town of Halton Hills' major employment area. It is located between Steeles Avenue and Highway 401. The Town, in conformity with the Halton Region Official Plan, had proposed through Town Official Plan Amendment 10 (OPA 10) to designate an additional 340 gross hectares (840 acres) of land for employment on the north side of Steeles Avenue. However, the Region and the Town have now had to reconsider the location of the proposed expansion of the Employment Area as a result of the introduction of corridor protection for the GTA West Transportation Corridor.

The Premier Gateway Phase 1B Employment Area: Secondary Plan Study will develop appropriate land use designations and policies for the Phase 1B Employment Area and identify the location of up to 75 hectares of land to be designated for employment and added to the Premier Gateway Employment Area. A Subwatershed Study will also be undertaken as part of the project to develop a strategy for environmental protection.

Study Area

The Study Area is illustrated on the map below, including the Phase 1B

Area and the lands which are to be considered for the location of up to 75 hectares of additional employment land.

Open House Format

The Open House will provide an introduction to the study process, an overview of existing available background information about the Study Area, and will present options for selecting the location of up to 75 hectares of additional land for employment purposes.

- 7:00 – 7:15 pm Display Board Review
- 7:15 – 7:30 pm Top Priorities Exercise
