Become a Holiday Giving Sponsors for Links2Care Holiday Hamper Program

Last year, Links2Care's Holiday Hamper Program made 445 Halton Hills children from less privileged families very special and grateful by provided them with new clothing, toiletries and gift cards.

Once again, this year, applications are pouring in faster than Links2Care can find gener-

ous community members to sponsor them.

Looking for a way to give back to your community and to combat the season's growing commercialism? Becoming a Holiday Giving Sponsor is a simple and fabulous way for individuals, family members, community groups, co-workers, and businesses to make a difference and feel the true meaning of community this holiday season.

As a Links2Care Holiday Giving Sponsor, you will be provided with a family profile with children's genders, ages, sizes and clothing needs so that you can have fun shopping for the items on the list. Donations of money, new children's clothing, and gift cards are also very much appreciated. To sponsor or for more information, call Cathy or Janet at 519-853-3310.

Donations can be dropped off at any Links2Care location.
