Nominations accepted for Sports Hall of Fame

The Halton Hills Sports Museum is looking for athletes, teams or builders worthy of selection into its Hall of Fame in 2016.

The museum, located in the Mold-Masters SportsPlex, is seeking nominees for the gala induction ceremony on Thursday, June 16 at the John Elliott Theatre in Georgetown.

The evening begins with a reception at 6 p.m. and the formal awards ceremony begins at 7 p.m.

Any person or team who is, or has been distinguished as an athlete, executive member or coach, or who has brought honour to Halton Hills, will be eligible for election, provided he or she was a resident of the

Town of Halton Hills at the time of the achievement, which is the basis for his or her or their consideration.

Builder candidates may be either active or inactive at the time of their consideration.

Deadline for nominations is Feb. 28.

Full nomination criteria and forms are available on the museum's blogspot, haltonhillssportsmuseum.blogspot.com

Omes catches on as sports broadcaster

Continued from page 42

He was the starting goalkeeper this past summer for the Georgetown Mustangs adult men's team, which made its return to the Peel Halton District Soccer League's Premier Division after a 23-year absence and finished second in the league standings, with Omes earning several shutouts.

The day he turned 16, Omes got his OSA coaching certificate and this week was named the Georgetown Soccer Club's goalkeeping coach.

He played goal for Mississauga Croatia teams as a youth that toured Europe but suffered knee injuries that occurred when he joined Mount Allison University men's varsity squad, forcing him to the sidelines.

The school's athletic director mentioned to Omes that they were looking for a public-address announcer and after just a few months in training he was providing play-by-play commentary at various major sporting events for Bell Alliance TV in the Maritimes, on broadcasts of

Brier curling qualifiers and as a sideline reporter during the Uteck Bowl for university football on Rogers Sportsnet.

"It's something that I never thought I'd get into and it's just kept growing," he added.

"I have a huge obsession for sports and I guess my ability to talk for long periods of time came in handy. It's something that came out of nothing, and it shows if you just open yourself up to opportunities, you never know what's going to happen."
