Two women pepper sprayed on Christmas Day walk

Two women out for a walk with a dog on Christmas Day at the Terra Cotta Conservation Area were attacked by a middle-aged man who discharged pepper spray in their faces.

The victims were taken to hospital for assessment but their injuries weren't believed to be serious. The incident occurred just before 3 p.m. on Dec. 25.

Halton Regional Police deployed a canine unit in the search for the suspect in the hours after the

assault that didn't result in an arrest.

The suspect is described as a white male between 40-50 years of age with a slim build wearing beige hiking pants, a baseball cap and sunglasses, walking with a wooden hiking pole.

Anyone with information is asked to call HRPS Det. Const. Dylan Price at 905-878-5511 ext. 2422 or email dylan.price@haltonpolice.ca or call Crimestoppers at 1-800-222-TIPS (8477).

Ugly Kitchen or Bath?

Refinishing Saves you Time and Money!

BEFORE

AFTER!

In addition to countertop and cupboards... bathtub and tile refinishing can also extend the life of your existing fixtures!

Miracle Method of Brampton has a solution to help update your kitchen or bathroom without the high cost of renovation! "Why renovate when you can refinish, in just a few days?", says Bruce Edgar, owner.

Not only is refinishing fast, but you'll save up to 50-75% over the cost of replacement. Since surface refinishing doesn't require weeks of messy construction, in just 2-3 days, your kitchen and bathrooms will be beautiful again.

"Our customers can save thousands of dollars and the results are beautiful! We can create an updated new look over your existing surfaces using our Natural Accent® finishes", continues Bruce.

Natural Accents® are available

in a wide array of colours and can be applied on laminate, tile, fibreglass, acrylic, Corian® and cultured marble surfaces. Miracle Method can give you a high-end look without the high-end cost.

"Kitchen counter tops are the new WOW factor for homeowners," continues Bruce. "We also spray and refinish cupboard doors and bases and the transformation is simply amazing! We use an HVLP spray system, NOT a paintbrush, and the topcoat lacquer is the same that kitchen cabinet manufacturers use." Compare refinishing to the cost of replacing or re-facing and you'll see that you can save money.

Miracle Method is the largest surface refinishing company in North America & provides residential and commercial services. "As a company, we

fix problems at hotels, schools, senior care centres, apartment complexes, universities, colleges and more. We are always ready to help!"
