It's a wrap on Project Holiday

To address increasing crime rates over the holiday season, the Halton Regional Police Service organized Project HOLIDAY, in north Halton.

The project was first implemented in December 2014 and was extremely successful, according to the HRPS. This year's HOLIDAY Season saw patrol officers, members of specialized units, and criminal investigators partner with community stakeholders from Dec. 7 to Jan. 4.

The goal of the project was to focus on education and enforcement in the following areas:

- * High Enforcement on repeat offenders
- * Organized Retail Crime/Property Crime
- * Links to Services/Mental Health
- * Impaired Driving
- * Domestic Incidents
- * Alcohol Related Issues
- * Youth Issues

A total of 29 persons were arrested resulting in 72 criminal charges being laid. Of those arrested, four were youths. Charges ranged from Impaired Driving to Theft, Breaching Court Imposed condi-

tions and Possession of a Controlled Substance. Five arrest warrants were issued and one Criminal Code Search Warrant was executed.

As a result of the search warrant, a large quantity of stolen merchandise was recovered. In addition several tickets were issued for Highway Traffic Act and Liquor Licence Act Offences.

As mentioned, the project did not solely focus on enforcement but also education and community service. Officers proactively attended retail outlets to provide information to business owners. Uniform Officers also paired with at risk youth to provide mentorship and guidance. The youth also volunteered their time with service club members in collecting donations from members of the Community during the Halton Toys for Tots Program.

Halton Police remind the public to utilize Crime Stoppers to report any illegal activity at 1-800 222-TIPS (8477), through the web at www.haltoncrimestoppers.com or by texting "Tip201" with your message to 274637 (crimes).

Snow plow collides with vehicle yesterday morning

Halton Police were looking into a collision in Acton on Wednesday morning in which a man unloading a snow blower had his vehicle struck by a snow plow that left the scene at an address on Hwy. 7 north of 22 Sideroad.

Officers responded to the call at approximately 7:45 a.m. and located the snow plow a short distance away. Police reported no injuries and no charges were immediately laid, although it was still under investigation.
