

Coming to JET: There is no escape from Murder Inn

Prepare yourself for fun and suspense with a colourful cast of characters as Georgetown Little Theatre presents Howard Volland and Keith McGregor's comic thriller— *Murder Inn*, Feb. 12-14 and 17-20 at the John Elliott Theatre.

The Ghosts and Ghouls Tour of New England is forced to make an unscheduled stop at the dilapidated 18th century Barnsley Inn, said to be haunted by Marco, a knife-throwing poltergeist. The Inn's proprietor Martha (Kathy Sanford) refuses to accommodate the tour, but her son Jake (Adam McCormack) has allowed Ellen (Laurie Thibaudeau) and her party to come in out of the raging storm.

We soon meet the protagonist of the piece— Agnes (Rosanna Armata) and her dog-body niece Carolyn (Iana Nedvijenko) as well as the poor van driver Don (Mike Tadic) and the youngish Todd (Taylor Grist). As the storm rages, Muriel (Shona Sneddon), brings out her Ouija board, and Patricia (Lisa Rasanen) becomes increasingly rattled. All the ladies appear to be interested in the one available "older man"— Professor Lawrence Currie (Rob Pearce).

This uncomfortable detour turns into a night of mayhem as knives begin to pop up and the raging storm forces the tour's two retired heroines Grace (Silvana DiBello) and Doris (Janice Van Olst) to try to solve the "murder" in a style worthy of Miss Marple herself.

Directed and managed by the

award-winning duo of Pamela Niesiobedzki-Curtis and Ro Palumbo-Coates, assisted by Clare Pember, this play will grab your attention from beginning to end. As the storm worsens and lights go off, fear begins to take hold. There is no escape. Will the body count rise?

For tickets call the JET Box Office 905-877-3700 or online at www.haltonhills/theatre. Prices are \$24 (adult), \$20 (seniors 60+) and students with ID \$5. Psst! Looking for a deal? Don't keep this a secret!

CUSTOMER SERVICE IS A PRODUCT SLOWLY BECOMING EXTINCT.

My definition of quality customer service and goal is to provide continued, effective hearing for the patient. There are many issues and parts of this task - please do not think I am saying that I have succeeded in creating an A+ practice. It takes a lot of work, dedication and time to achieve excellence. Regardless of business, it all boils down to customer service. The product purchased - and this can relate to any device - needs to be serviced regularly, the patient needs to understand and use their product properly. Wherever you shop, ask yourself this: Can I follow up with the same person who sold and serviced my product when I need them? Does the person who serviced you remember your name and needs? Will that person be there for me in the future?

As a local business person and proud lifelong resident of this community, I wish to thank all who have allowed me to serve the community since 1992.

Outdated Kitchen or Bathroom?

Refinishing saves time and money!

"I love my beautiful stone look countertops," says Miracle Method customer Sherri Levere. "My 30-year old kitchen has been transformed

into a gorgeous and modern room. It's truly an amazing and affordable process." Sherri is thrilled with the transformation Miracle Method created with her new-look countertops.

Like most of Miracle Method's customers, Levere chose our Natural Accents® stone look finish for her existing kitchen countertops rather than pay to have them removed and replaced. According to Bruce Edgar, who owns the Brampton Miracle Method office, their countertop refinishing process takes just two days and can save homeowners up to 75% over the cost of replacement.

finish that gives existing laminate, Corian™ and even cultured marble bathroom vanities the look of natural stone for a fraction of the cost of granite or man-made solid surfaces. Homeowners can say goodbye to old knife cuts, countertop burns, chips and outdated colours that are hard to look at! Best of all it will not take

weeks to see the beautiful results. "We also refinish cupboard doors and the transformation is amazing!", states Bruce, "The end result is far superior to just using a paintbrush."

Homeowners not only love the new look and cost savings, but Miracle Method's outstanding customer service. "I couldn't be more pleased with the value and service. We enhanced the value of our home in a very substantial way. Miracle Method went above and beyond to meet our tight deadlines and I certainly recommend them," says Levere.

Miracle Method is the largest surface refinishing company in North America

& provides residential and commercial services. "As a company, we fix problems at hotels, schools, senior care centres, apartment complexes, universities, colleges and more "We are always ready to help and estimates are always free!"
