NEWS

Arabic now available in legal resources

To help front line workers and volunteers assist Syrian refugees, Halton Community Legal Services (HCLS) in Georgetown has developed a one-page information sheet in Arabic about the Legal Health Check-Up tool.

The Check-Up is a survey that helps low-income people find unrecognized everyday legal problems and get legal assistance before crisis can develop.

The one-page sheet in Arabic is available through the clinic. The Legal Health Check-Up can also be taken in English or French online through CLEO's webpage or the Halton Legal Health Check-Up webpage.

Legal information resources in Arabic are also available for Syrian refugees and front line community workers through Community Legal Education Ontario (CLEO) in Toronto. All resources are free and available online at www.haltonlegal.ca.

... Lend Me Your Ears

CUSTOMER SERVICE IS A PRODUCT SLOWLY BECOMING EXTINCT.

My definition of quality customer service and goal is to provide continued, effective hearing for the patient. There are many issues and parts of this task - please do not think I am saying that I have succeeded in creating an A+ practice. It takes a lot of work, dedication and time to achieve excellence. Regardless of business, it all boils down to customer service. The product purchased - and this can relate to any device - needs to be serviced regularly, the patient needs to understand and use their product properly. Wherever you shop, ask yourself this: Can I follow up with the same person who sold and serviced my product when I need them? Does the person who serviced you remember your name and needs? Will that person be there for me in the future?

As a local business person and proud lifelong resident of this community, I wish to thank all who have allowed me to serve the community since 1992.
