MCDONALD'S GOES GOURMET: Georgetown McDonald's, owned by Tim O'Connor, launched its new Create Your Taste—Build Your Own Gourmet Burger last week. #CreateYourTasteCA is an in-restaurant experience that lets you make your own burger, created through touch-screen kiosks. Starting with 100% Canadian Angus Beef, a patron can choose from 30 quality ingredients for their perfect taste creation made fresh and delivered to the table. Along with the burgers, the location also introduced new McCafe bakery items, including brownies, croissants and other pastries. The new products were also introduced this week at the McDonald's in Acton. Above, owner operator Tim O'Connor orders his gourmet burger on the interactive kiosk with wife, and community relations director, Casey O'Connor.
