

3 Halton Hills Bulldogs chosen in OLA Jr. A Draft

Halton Hills was well represented in the 2018 Ontario Lacrosse Association Jr. A Draft, with three players selected in the second round on Sunday.

Twenty-two names in total were called during the two rounds of the online draft and all three Bulldogs taken played for the Halton Hills midgets, who advanced to the provincial qualifiers this past summer among the top 16 teams in Ontario.

Taken 13th overall by the Brampton Excelsiors was five-foot-nine, 160-pound Liam Mackay, a transition player who is a faceoff specialist and captained the local midgets in 2017.

The Excels also selected Bulldog Adrian Channel 19th overall. The five-foot-ten, 150-pound Channel is a "crease guy" on of-

fence with a knack for grabbing rebounds and scoring goals in close.

Josh Gamble, a 6-foot, 180-pound goalie, went to Kitchener-Waterloo 21st overall. Gamble likes to contribute offensively as well by throwing long, accurate passes up the floor and blocking opposition players for his defenders.

All three play field lacrosse on traveling teams in the U.S., with Mackay suiting up for the Hill Academy, while Channel and Gamble are members of Edge Lacrosse.

The HHMLA has had one player drafted in the second round in each of the previous three years: Zack Kearney, Whitby 2017; John Vezina, Kitchener-Waterloo 2016; Cameron Downey, Orangeville 2015.

Peewee Twisters seeking Good Deeds Cup

Not satisfied with performing just one good deed for charity, the North Halton peewee BB Twisters are going all out in their efforts to hoist the Chevrolet Good Deeds Cup.

The Twisters are one of 10 peewee teams from across the country that have reached the semifinals of the online contest and they're asking local residents to jump on board

the campaign by voting online.

So far, the North Halton peewees have assembled and distributed emergency care kits to McMaster Children's Hospital's neo-natal unit and the Halton Women's Place shelter, earning \$2,000 for their charity of choice and if they can reach the top three in voting, \$5,000 will be added to their donation.

Undefeated in Lower Lakes Female Hockey League play this season, the team members have also organized a blood donor drive to bolster their off-ice volunteer work.

By viewing and sharing the following YouTube video <https://youtu.be/O-kmJy6vEl4>, votes will be counted toward the Twisters' contest total. Voting runs until Jan. 28.

Concussion Passport to Safe Play

Where every patient is treated like an elite athlete

We are here to keep our athletes active into their adult years and can offer you:

- Player and Coach Education
- Preseason Baseline Testing
- Balance Assessment
- Sports Medicine Consultation
- Cognitive and ImPACT testing
- Return to Play Protocols
- Follow Up and Collaborative Medical Evaluation
- Step by Step Medical Guidance

When you need concussion assessment and follow up treatment, you can be reassured that our Concussion Passport Guidelines are medically endorsed and follow the International Zurich Concussion Guidelines.

We are here to treat every patient like an athlete, but FIRST they have to be medically assessed and treated as a patient and more importantly your child.
