Halton Hills Transit Service Strategy

NOTICE OF STUDY COMMENCEMENT

The Town of Halton Hills is commencing a study to develop a transit service strategy in Halton Hills. The study will evaluate service alternatives and explore opportunities for a *made-in-Halton Hills* transit solution to meet the current and future mobility needs of the community. The Town has retained WSP Canada Group Ltd. to develop the Transit Service Strategy which will be completed in 2019.

Over the next 18 months, consultation activities will be used to engage the public and businesses to identify the issues, opportunities, and challenges for developing a transit service strategy for the community. Through the consultation process, residents and businesses will help to identify solutions that will support the development of a strategy that aligns with the Town of Halton Hills Strategic Action Plan and address the needs of the community.

HOW CAN YOU BE INVOLVED?

We need your help to shape the future of transit in Halton Hills. There are a number of ways you can get involved!

Find out more about the study and provide your input using the project website: <http://www.haltonhills.ca/TransitServiceStrategy>

Attend the upcoming public information session on February 21, 2018 to meet and speak with members of the team.

Date: **Wednesday, February 21, 2018.**
 Time: **6:30 p.m. and 8:30 p.m.** (drop-in style with formal presentation at 7:00 p.m.)
 Location: **Town of Halton Hills, Council Chambers, 1 Halton Hills Drive.**

Contact one of the study team members and provide your input and ideas via email or telephone.
