Activities
Western Riding Club is geared towards teaching people what they need to know to maintain and care for a horse. They learn about proper feeding and grooming, how to keep a horse healthy, controlling a horse effectively from the ground and from their back, and with the assistance of a "buddy" they take part in many of the daily tasks that keep a horse ranch working! Each day there is an opportunity for 1 lesson and 1 trail ride, and members work towards completing their riding achievement levels!

Our Trails are open all year round! Call us now and reserve a spot! (905)873-6588
