OLYMPICS

Curling Club collecting well wishes to send to the Olympic team

DANIELLE MARR

dmar@caledonenterprise.com

The Acton Curling Club invited the public to come into the club to sign a banner they had made for the country's Olympic athletes.

"Last year when we celebrated our Ontario150 grant and we got so many well wishes given to us in that time that we kind of just wanted to take that energy and pay it forward to our Olympic athletes," said club member Linda Warton. "It's a chance to show our support and send our good wishes as they go for gold in Pyeongchang."

The banner was officially unrolled on Jan. 23 during the youth curling program and was at the club until Feb. 5 before it

COMMUNITY

Halton Healthcare seeking volunteers

Halton Healthcare is seeking new and enthusiastic volunteers at Georgetown Hospital (GH).

Are you looking for an opportunity to make a difference in your community in 2018? Do you have an interest in helping others? Apply to be a Halton Healthcare volunteer today. GH offers a variety of roles that can best suit your needs, including working directly with patients, their families, the public and behind the scenes support.

"Volunteers enhance the care of our patients, families and visitors, and are integral members of our healthcare teams," said Sharon Norris, Vice President, Human Resources Planning and Organizational Development. "We are grateful to this extraordinary group of people for their on-going kindness and generosity."

Volunteers help to create a truly patient and family oriented care environment and experience. While specific roles may vary, volunteers play an important part in the following key areas:

- Directing visitors
- Assisting patients on the unit
- Gift Shop
- Providing additional support to programs and initiatives

Volunteer applications will be accepted until Feb. 12.

Members of the public aged 14 and up are invited to apply for volunteer opportunities.

Please visit www.haltonhealthcare.on.ca/our-volunteers/about-our-volunteers.html for more information and to apply online.

HaveYourSayHDSB.ca

From February 5 to March 9, 2018, the Halton District School Board will launch a series of anonymous surveys for students, staff, parents/guardians and the community at large. Participation in this survey is important and will help us identify opportunities to improve our schools and ensure student achievement and well-being are at the centre of everything we do.

Visit www.HaveYourSayHDSB.ca to access the survey.
 No login or password required.

Your feedback can help guide meaningful change to improve student learning, growth and success.
