PAVING  
THE WAY FOR  
SMOOTHER  
TRAVEL

Toronto Pearson is home to Canada's busiest runways. Just like roads, they need regular upkeep. Our next runway maintenance project starts this April.

We'll do most work overnight - when traffic demand is lowest - to minimize disruptions and keep passengers moving.

This project may have an impact on our neighbours and passengers, and we apologize for any inconvenience.

Learn more and track our progress at [torontopearson.com/06-24](http://torontopearson.com/06-24).
