COMMUNITY

Chico's recognized for over 10 years of giving to Jumpstart

Wayne Coulson and his Chico's Food Truck has been a long-standing fixture at Georgetown Canadian Tire since Canadian Tire moved to its current location at 315 Guelph St. in Georgetown.

Chico's, known for its homemade sausages with all of the fixings, plus great hotdogs, serves up more to this community than just fast food.

For more than 10 years, Chico's BBQ has donated over \$10,000 to our local chapter of Jumpstart, ensuring that kids in need have a chance to play any organized sport they choose.

In recognition of his commitment to our kids, Jumpstart's regional manager Eric Cartlidge presented Coulson with a plaque for his generous support.

Jumpstart regional manager Eric Cartlidge presents a plaque to Wayne Coulson in recognition of his support for more than a decade.

**TORONTO PEARSON
IS HOME TO CANADA'S
BUSIEST RUNWAYS.
JUST LIKE ROADS,
THEY NEED REGULAR UPKEEP.**

Starting April 23, we're going to be milling and paving a portion of runway and replacing runway lights. This means we will be closing runway 06L/24R between 10 p.m. - 6 a.m., when flight traffic is lowest, to get the work done. The project will wrap up in June.

Some of the work will likely require planes to use our north/south runways on some nights from approximately 10 p.m. to 12 a.m. - we recognize that this may impact some

of our neighbours and apologize for any inconvenience. The preferential runway system and night flight budget will continue to be applied during the resurfacing work.

To help keep both our neighbours and our passengers up-to-date on the project and potential impacts we will post regular updates at torontopearson.com/06-24
