Q: WHAT IS PROBATE?

A: Probate is the judicial process whereby a will is "proved" in a court and accepted as a valid public document that is the true last testament of the deceased. It is also the process that gives the Estate Trustee the authority to act on behalf of the deceased. Probate fees are an Ontario Government tax. The tax is payable on the value of the assets for which the probate process is required. The tax is calculated as 0.05% of value of these assets for the first \$50,000 (or \$250) and 1.5% of the remaining value over \$50,000.

There are some planning tools available to minimize this tax and maximizing the value of assets left to your beneficiaries. Call us we can help.
