Motorists looking to access River Drive from Maple Avenue will have to take a detour across Palomino Trail for the next few months. Traffic over the River Drive bridge will be restricted to one lane as Marbridge Construction of Mississauga works on the bridge rehabilitation project.

Bridge rehab results in detour to River Drive

The Town of Halton Hills reminds local residents that there will be no access to River Drive via Maple Avenue for the next few months as rehabilitation work of the bridge over the Credit River takes place.

River Drive will be open from Mountainview Road to the Tenth Line during

construction, with restrictions to one lane over the bridge.

There is a detour from Maple Avenue to River Drive via Palomino Trail, which passenger vehicles are encouraged to use until the project's anticipated completion date of August 2018.
