Simply fun. Simply fresh. Halton's Simply Local.

One of the many great features of Halton region is our diverse agricultural community including local farms, stables, recreational activities and access to fresh produce. Buying and eating local is simply a great idea and now is a great time to visit Halton's farms to pick your own produce or purchase fresh fruit and vegetables at a local farmers' market. To plan your next agri-venture, visit halton.ca/simplylocal to use the interactive online map, find out what produce is in season, and learn more about the agricultural community we are proud to support.
