Grade 7 Centennial Public School student Philip Wawrzyniak works the rope pull during the obstacle course race with some encouragement from Georgetown District High School Grade 12 leadership course student Marlee Perozzo on Wednesday at Kiwanis Field. Students at GDHS marked the fourth-annual Fit Day on Wednesday with a variety of activities and invited some friends to take part as well. All GDHS students were welcome to join in on a number of exercises such as an obstacle course, pickle ball, road hockey, archery, a rock-climbing wall and spike ball, among others, with approximately 400 Grade 7s from local elementary feeder schools Centennial, Gardiner, Stewarttown and Silver Creek joining in. Wawrzyniak won his heat during the friendly competition.

The Georgetown Soccer Club proudly celebrated its 50th anniversary during Opening Day on Saturday May 26th at Trafalgar Sports Park. The fun soccer action, free inflatables, face painting, freestylers, pizza and juice on this beautiful sunny day made it a great kick-off to the house league season. Thank you to all of our Opening Day sponsors!

Vieira to get kicks with Fleming Knights

Grade 12 Christ the King Secondary School student Kobe Vieira plans to be a central figure in the success of the Peterborough-based Fleming College Knights on the soccer pitch for the next couple of years.

The 17-year-old central midfielder and Georgetown Soccer Club graduate signed with the Knights recently and is enrolled in the school's fitness and health promotion program.

"My goal is to help my team win and to bring Fleming a provincial and national championship," said Vieira, who will play this summer in Guelph with the Gryphons' club team.

"My job is to feed my wingers, feed my strikers and to assist in scoring."
