

NOTICE OF STUDY COMPLETION

MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY John Street Wastewater Pumping Station Improvements in Georgetown, Town of Halton Hills Our File: PR-2987A & PR-2987B

Study

Halton Region has completed a Municipal Class Environmental Assessment (EA) Study for the John Street Wastewater Pumping Station in the Town of Halton Hills. The John Street Wastewater Pumping Station is nearing the end of its useful life and requires significant capital upgrades in order to maintain the station in a state-of-good repair. A wide range of servicing alternatives have been considered, including a new station and upgrading the existing station to address wastewater conveyance requirements in the vicinity of the John Street Wastewater Pumping Station. This Study has been conducted in compliance with 'Schedule B' of the Municipal Class EA document (October 2000, as amended 2007, 2011 and 2015), which is an approved process under the *Ontario Environmental Assessment Act*.

Process

A Project File Report has been prepared to document the planning, public consultation and decision-making process undertaken for this Municipal Class EA Study. By this Notice, the Project File Report is being placed on the public record for a 45-day review period in accordance with the requirements of the Municipal Class EA. Subject to comments received as a result of this Notice and the receipt of necessary approvals, Halton Region intends to proceed with detailed design and construction of the preferred alternative solution as documented in the Project File Report and illustrated in the map. The Project File Report is available for review at the following locations:

Regional Municipality of Halton Clerk's Department

1151 Bronte Road
Oakville, ON, L6M 3L1
Tel: (905) 825-6000
Monday to Friday: 8:30 a.m. – 4:30 p.m.

Town of Halton Hills Clerk's Department

1 Halton Hills Dr.
Halton Hills, ON L7G 5G2
Tel: (905) 873-2600
Monday to Friday: 8:30 a.m. – 4:30 p.m.

Halton Hills Public Library

9 Church Street
Georgetown ON L7G 2A3
Tel: (905) 873-2681

The map shows the approximate limits of the Study area and the preferred alternative solution.

If concerns regarding this project cannot be resolved through discussions with the Region, a person or party may request that the Minister of the Environment and Climate Change order the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. The Ministry's Part II Order Request Form may be downloaded at www.forms.ssb.gov.on.ca.

Requests for a Part II Order must be received by the Ministry and Region in writing through a completed form, at the addresses provided, by **Monday, July 30, 2018** (within 45 days of this Notice):

Halton Region supports community programs that make a difference

The Halton Region Community Investment Fund (HRCIF) provides funding to non-profit social service and community health initiatives that support the health, safety and well-being of Halton residents. This includes programs that address mental health, prevent homelessness, support older adults, children and youth, and enhance food security. Since 2012, the number of projects funded has more than doubled, and the amount of funding has increased from \$702,691 to over \$2.3 million. Halton Region recently released its first-ever HRCIF Impact Report that demonstrates HRCIF's impact in the community. To learn more, visit halton.ca/investmentfund or call 311.

Gary Carr
Regional Chair
