## ADOPTABLE PETS OF THE WEEK...

### Meet San, our Siberian sweetheart

#### UPPER CREDIT HUMANE SOCIETY

San is a beautiful, sweet and energetic 5-year-old husky/Shiba mix. This lively girl has cream coloured fur and warm dark eyes, and will greet you with a bark and a bounce to say hello!

San was previously awaiting adoption with a husky rescue and came to the Upper Credit Humane Society when the rescue facilitator needed to move out of the country. San, who is spayed, chipped, and up to date on her vaccinations, eagerly awaits her perfect family to ease her into new routines with patience and love, and understand that she may be a little apprehensive of strangers, especially in her home, and slightly nervous in new situations.

San loves to play and burn off some energy - her orange ball is her favourite! She does well on walks and is easy

to handle on a leash. Due to her spirited yet slightly hesitant personality, she will do best in a quieter home with no young children, and a home without cats. She usually gets along well with feline friends, but not 100% of the time. San would pair well with other submissive dogs, preferably male, and she does well with dogs outside the home with supervision.

If you're ready to fall in love, come meet our gorgeous sweetheart San at the Upper Credit Humane Society!

### Oh no, Yoko needs a home

#### BARB JOHNSON

Yoko was a homeless mother with kittens when she was brought into foster care. Her kittens were old enough to be moved to another foster allowing Yoko to be spayed, gain weight and relax.

Now she is comfortable and confident in her foster home and makes no effort to return outdoors. Yoko is approximately a year old - a happy playful cat, delighted to have toys to toss or to play chase with her feline friends. She seeks attention from people, asking politely to be noticed but not demanding. Yoko enjoys being picked up for snuggles, a look out the window, some neck and cheek scratches then back to playing.

Although Yoko was extremely thin when found, she does not overeat and when she shows interest in people food she is easily moved away.

Yoko

submitted photo

She is clean with her litter box, allows her nails to be trimmed (this is something new for her) and enjoys her scratching posts.

Yoko would fit into almost any home. She is adaptable, intelligent and good natured. Yoko (and Foxie) will be available for adoption this Sat. at Pet Valu, 375 Mountainview Rd. South from 2:00-4:00. The \$160 cash adoption fee includes: vaccinations, parasite treatments, spaying, microchip and a bag of food. For more info visit [www.NHKR.ca](http://www.NHKR.ca) or call Barb 905-873-8547

### UCHS CURRENTLY HAS 4 FIV POSITIVE CATS THAT NEED LOVING HOMES

#### FIV Cat Facts:
